Notice Regarding Seat Matrix for FYUG Admission (Final Spot Round)

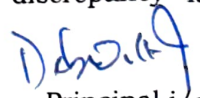

All intending candidates seeking admission to the Four-Year Undergraduate Programme (FYUG) under the Final Spot Round are hereby informed that certain discrepancies have been noticed in the vacancy list displayed on the Samarth Admission Portal with regard to the subjects Chemistry, Mathematics and Statistics.

The discrepancy has arisen due to the multiple listing of these subjects in different clusters under the FYUG Scheme of Assam University. Since these subjects are included in multiple subject clusters, the number of vacant seats has been inadvertently multiplied, resulting in an incorrect display of vacancies on the Samarth Portal.

Candidates are therefore advised not to rely on the vacancy figures displayed on the Samarth Portal for these subjects. The correct seat matrix, as approved by the university, is provided below and shall be treated as final for the purpose of admission under the Final Spot Round.

Subjects	Vacancy	Subjects	Vacancy
Bengali	11	Botany	3
Economics	24	Chemistry	7
English	11	Computer Science	34
History	24	Mathematics	23
Persian	11	Physics	11
Philosophy	16	Statistics	11
Pol Science	12	Zoology	3
Sanskrit	3	Economics (Science)	3
Statistics (Arts)	5		
Mathematics (Arts)	5	Commerce	38

All concerned candidates are requested to take note of the above and act accordingly. Any inconvenience caused due to this technical discrepancy is sincerely regretted.
